Re: U.S. Patent Application No, 10/587,736
Based on PCT/US2005/003326
LARGE SCALE WATERCRAFT STORAGE FACILITY

Dear Sirs:

The above US national application was filed at the PTO on July 27, 2006 as shown by the enclosed copy of the postcard receipt. To date I have not received any official filing receipt or notice to file missing parts (for the Declaration). Only the postcard receipt has been received.

From prior experience the filing receipt and notice appear to be long overdue. The application number is "10" series which to me appears suspicious, since I believe the PTO was well into the "11" series at the date of filing (July 27, 2006). Please let me know of the status of the application by mail, fax or email, or by phone after January 29, 2007.

Very truly yours,

James M. Deimen
